This form will cancel an existing permit that is currently on file for both parties in which a recycling relationship was previously established. This will end the reporting process that is generated monthly for the generator that you list above only. If you re-establish a relationship with the generator listed, you will need to complete a new permit application and a new permit number will be issued. You may fax or mail to the address listed below.

I do hereby certify that the salvaged material listed above is no longer being collected as of \_\_\_\_\_ by our company.
